With reference to the first paragraph of Mr. D. C. Subbarayappa's demi-official letter No. Pol.222/P.P. 29-30-11, dated the 28th August, 1930, I am desirous to say that Mysore Subba Rao (Candidate No.162) was a pupil at the C. R. C. High School, Vepery, Madras, in June 1919-20, at the P. S. High School, Mylapore, Madras from June, 1920 to April, 1923 and at the Government Collegiate High School, Bangalore, from June, 1924 to March, 1925. He took his degree from the Mysore University, Central College, Bangalore, after studying there from July 1925 to March, 1928. He studied in the M.A. Class of the Maharaja's College, Mysore, from July, 1928 to March, 1929.

It is hoped that these details will enable you to make the necessary enquiries about him, and I am to request you kindly to let me have a report about him very urgently, as the Government of India have asked to have particulars about him not later than the 30th September.

Yours sincerely,

Dear Sir,

Your D. O. 1291/P.P. 29-30-13, dated the 28th September 1930, forwarding Residency letter No. 7608 dated the 27th idem regarding Mr. M. Subba Rao.

From enquiries made at the Maharaja's College, I understand that Mr. Subba Rao was here only for 9 months. I have wired to Bangalore for particulars and shall furnish the same on receipt.

In the meantime, I may say from personal knowledge that the student is the grandson (being daughter's son) of Dr. C. B. Rama Rao, M.D., who was in the Madras Medical Service and is retired and is living in Bangalore.

The student lost his father early due to an accident and has been under the guardianship of Dr. C. B. Rama Rao. <sup>He passed</sup> ~~and passed~~ the B.A. Degree <sup>Exam</sup> of this University from the Central College, taking Mathematics and Physics for his Optional group of subjects. To the best of my knowledge his conduct was good. He is now in England.

Yours Sincerely,

Dr. C. Subbarayappa
